- ACC official Fence Request

Please be aware, the Restrictive Covenants of Olde Point states:

- 5(b) *“No building shall be built within **15 feet** of the boundary of an adjacent lot.”* This pertains to pools as well.
- 5(c) *“The exterior of all houses, structures, pools, ponds or fences or other required approvals must be completed within twelve (12) months from the date of approval of plans. If construction has not started within the 12 month time frame, plans must be re-submitted to the ACC for renewed approval.”*
- 10(c) *“All **pools must be in-ground** flush with adjacent natural or constructed grade and approved by the Architectural Control Committee.”*
- 10(c,4) *“The fence shall be no closer than three (3) feet to adjacent property lines and no closer than fifty (50) feet to golf course boundaries subject to exemption granted by the Architectural Control Committee.”*

Pender County states:

No structure can be closer than 10ft. to a house.
A minimum four foot high fence must be around a pool.
